Dear David:

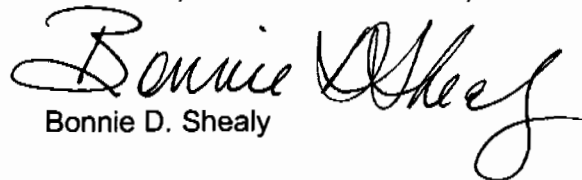

As you requested during Telmex USA, LLC's hearing, enclosed please find a copy of the FCC's Memorandum Opinion and Order *In the matter of Telmex International Ventures USA, Inc.*, File No. EB-00-IH-0040, DA 01-1752, released July 25, 2001, in which the FCC rescinded the \$100,000 Notice of Apparent Liability issued to Telmex International Ventures USA, Inc. in its entirety which we submit as Late Filed Hearing Exhibit No. 3. By copy of this letter, we are serving the same on counsel for ORS. Please stamp the extra copy provided as proof of filing and return it with our courier.

Telmex International was authorized to provide international switched resale telephony service under section 214 and is a wholly owned subsidiary of Telefonos de Mexico, S.A. de C.V. ("Telmex Mexico"). As part of obtaining Telmex International's international switched authority, Telmex Mexico was required to agree to provide private line services to all carriers on a timely and non-discriminatory basis in Mexico. The notice resulted from disputes with MCI and AT&T regarding service being provided by Telmex Mexico in Mexico.

Very truly yours,
